The numbers behind the pain

MARKET OPPORTUNITY

STAT CARDS (3, SIDE BY SIDE)

Number	Label
361M+	Total reviews on Trustpilot
13%	Are negative (1 to 2 stars)
\$200–\$675	Market range per review removal

BODY PARAGRAPH

Thousands of U.S. companies with 0 to 500 employees are sitting on Trustpilot with terrible ratings right now. They're losing deals because of it. Agencies in this space charge \$200 to \$675 per review removal, and some go past \$5,000. We build the list that puts that opportunity in front of you, sorted and ready.

BODY PARAGRAPH

Agencies charge \$200 to \$675 per review removal. Here's what 2 closed deals look like on the Growth tier, now at double the companies for the same \$597.

FLOW DIAGRAM (4 BOXES, LEFT TO RIGHT WITH ARROWS)

\$597 You invest → 1,000 Companies → 2 Deals closed → ~\$10,000 Your revenue

ROI TABLE

\$675	\$8,100	\$8,100	\$16,200	27x

CLOSING LINE UNDER TABLE

Even at \$200 per review, 2 deals bring in \$4,800. That's 8x your investment. At the mid-range of \$400, the same 2 deals return \$9,600, a 16x return. And your list now has double the companies to close those deals from.

Trust Campaign — reputation management client, cold email only • Active

Metric	Value
Total leads loaded	16,751
Contacted so far	14,979

Interested, of all replies	66 (19.41%)
Bounces	342 (2.28%)

This is a live client running on the same data structure delivered in every RepuLeads tier, refreshed monthly.

SECTION 8 — COMPLIANCE / DIFFERENTIATION

The compliance gap your competitors can't touch

EYEBROW LABEL

WHY THIS WORKS

U.S. companies only, by design

We target U.S. businesses specifically because cold email to them is compliant. European companies fall under stricter rules that most agencies can't legally cold email, which means the U.S. market stays wide open while competitors sit on the sidelines.

LinkedIn outreach, when you want it

Want to add a second channel? We run automated LinkedIn outreach on the same decision makers, so you're not relying on email alone to get a reply.

SECTION 9 — FINAL CTA
