

REPULEADS by CrackClay.co

Companies with bad reviews.
Their decision makers.
Ready for your outreach.

A list-building offer built for reputation management and review removal agencies.

Promo pricing through September 1 — 2x the companies, same price

THE OFFER

Ready-to-use lists for your outreach

We find U.S. companies with low Trustpilot ratings, pull the exact reviews customers left about them, and give you the verified contact info of the person who can say yes.

✓ Trustpilot verified scores

✓ Decision maker emails

✓ Direct phone numbers

✓ Actual review text

MARKET OPPORTUNITY

The numbers behind the pain

361M+

Total reviews on Trustpilot

13%

Are negative (1 to 2 stars)

\$200-\$675

Market range per review removal

Thousands of U.S. companies with 0 to 500 employees are sitting on Trustpilot with terrible ratings right now. They are losing deals because of it. Agencies charge \$200 to \$675 per review removal, and some go past \$5,000.

WHAT YOU GET

Every record comes ready to use

Semper Solaris 1.4

sempersolaris.com / Solar

*"Damaged my gutters during install and ghosted me on warranty claims for 6 months..."***John Kelly, VP Operations**j.kelly@semper...
(619) 555-XXXX**CrossCountry Mortgage** 1.5

crosscountrymortgage.com / Lending

*"Worst loan experience of my life. Lost my paperwork twice and blamed me for the delay..."***Sarah Mitchell, CMO**s.mitchell@ccm...
(440) 555-XXXX
